RECOGNITION OF PRIOR LEARNING (RPL)

Applicants wishing to apply for recognition of their previous studies should indicate in the relevant section of the Student Application Form and also complete RPL Application Form. Students need to complete this form and provide the necessary documentation (i.e. descriptions of subjects previously studied) and return it along with the Student Application Form to the Institute. The RPL policy and RPL Application Form can be found on Institute website: www.ee.edu.au

TUITION FEES PAYMENT AND REFUND POLICY

The Elite Education's refund of tuition fees payment and refund policy is based upon and is in accordance with the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (the National Code 2018), the Education Services for Overseas Students Act 2000 (ESOS Act 2000) and Education Services for Overseas Student Regulations 2001 (ESOS Regulations 2001). This policy applies to all international students regardless of the person actually paying the fees. The policy can be found on Institute website: <http://ee.edu.au/forms-policy/>

COURSE COMPLETION EXPECTATIONS

All courses are taught face-to-face in classes and tutorials.

International students enrolled in the Institute are expected to complete their awards within the normal duration of the course as specified in their offer letter and candidature rules. The Institute may allow students to undertake no more than 25% of their total course by distance and/ or online learning. However students may not enroll exclusively in distance or online learning units in any compulsory study period. There are defined compassionate and compelling circumstances that the Institute may consider in the event that an international student is unable to complete their course within the expected duration, are unable to meet attendance requirements, or wish to defer, suspend or cancel their enrolment. Please contact the Institute staff for further information.

If, for specific reasons, you are suspended from your studies, defer or withdraw from your studies, then EEI will provide you with advice according to the EEI Student Deferral, Suspension and Cancellation Policy, found on the EEI website under Policies: Student Deferral, Suspension And Cancellation Policy

COURSE ADVICE SERVICES

All institute students in Australia must formally enroll in their course, either electronically or by submitting an enrolment form. Enrolment for EEI is conducted in the week prior to the commencement of classes each semester. During enrolment students are given course advice to ensure they are enrolled in both the correct course and units of study. Assistance is given throughout the process to ensure each student is successfully enrolled. For new students enrolment is an opportunity to meet academic and administrative staff and managers from the Institute and to have any queries or concerns resolved.

ORIENTATION PROGRAM

An orientation session is conducted before classes begin and is compulsory for all newly arriving international students. The program includes information about student support services, facilities, healthcare, obtaining legal advice; what to do in an emergency and contact details of the Institute staff that can assist. In addition information is given about the rights and responsibilities of The Institute students including information about complaints, appeals and the legal requirements regarding study and residence in Australia. Orientation also includes guidelines about how to study The Institute courses successfully and an introduction to Australian culture, society and life. In addition to the formal processes described above, students have their first opportunity to meet with fellow students and staff.

SOCIAL ACTIVITIES PROGRAM

An ongoing social activities program runs throughout each semester and provides opportunities for students to enjoy a range of activities outside study. These include occasional weekends or one day excursions to various locations in Sydney and Melbourne.

ACADEMIC AND ENGLISH LANGUAGE SUPPORT

Continuing study assistance is provided by specially trained staff on an individual or group basis to assist students with note taking, referencing, essay and report writing, paraphrasing, grammar, oral presentations, researching, time management and exam preparation.

COUNSELLING SERVICE

EEL provides a free and confidential counselling service. Counsellors can help students adjust to their new environment, deal effectively with difficult personal situations and advocate on behalf of students.

First Aid Kits and supplies are kept on the premises. The Institute staff respond immediately to requests for first aid assistance.

OTHER SERVICES

b) Airport Reception and Airport Pick Up

New students arriving from overseas are met at Sydney International Airport by The Institute friendly staff or senior students and are transferred by car or bus to their prearranged accommodation. Students are then assisted with basic needs such as changing money, telephoning home, buying food and any other items. Students are required to make a request for airport pick-up at least two weeks in advance (conditions and charges apply). Contact our admissions staff for details

Our dedicated student support staff can help organise accommodation for students in advance of their arrival. Every effort is made to enable students to acquire the accommodation best suited to their needs. Staff will assist students to settle quickly and successfully into their accommodation and to familiarize with the environment.

FACILITIES

Teaching Facilities

EEL provides contemporary learning facilities for students. There are fully equipped lecture facilities with audio visual projection equipment, computer and internet access and appropriate software. There are study areas for groups and individuals in addition to teaching rooms. Staff and students may use computers, photocopiers, scanners and audio visual projectors to facilitate successful teaching and learning.

Library Facilities

Students have access to physical library, e-library, online research journal database (ProQuest), photocopying, and printing services.

WIFI, Internet Access, and E-learning

EEL provides students with free WIFI and internet access when they are on campus. We also have e-learning system, Moodle to facilitate students' learning. Students can access Moodle 24/7.

ACCOMMODATION OPTIONS

Several options are available for students, including rental accommodation, shared accommodation and homestay. Most international students prefer to share rental accommodation to reduce costs. The Institute staff assist students to find accommodation. Although accommodation is usually readily available, the beginning of each semester is a very busy time and accommodation may take a little longer to find during these periods. Homestay with an Australian family who provide accommodation and meals is a good option for international students. Students need to make a request for this service at least two weeks in advance and conditions and charges apply.
